## Andrew P. Moratzka Recently Elected to Equity Membership

We are pleased to announce that Andrew P. Moratzka was recently elected to equity membership in Mackall, Crouse & Moore, PLC. Drew started as an associate at Mackall in 2002. Since then, Drew has tailored his litigation practice to focus in the areas of utility regulation, bankruptcy, and appellate work. In these areas, he has successfully represented large industrial customers in electric and gas rate cases and various other energy regulatory matters, recovered money and property for creditors through litigation in bankruptcy court and state court, and overturned lower court decisions at the appellate level. Minnesota Lawyer named Drew an Up and Coming Attorney in 2008, and his peers have nominated him as a Minnesota Law and Politics Rising Star since 2007. Drew is an active St. Olaf Ski Team Alumni and member of the Minneapolis Downtown Rotary Club. We welcome Drew as Mackall's newest equity member and look forward to his future accomplishments.
